...og jeg kan se data om tidspunktet jeg likte bildet.

2

Jeg teller alle reisene mine per måned...

2

...og jeg representerer dem grafisk i en bok ved hjelp av en penn.

3

Jeg bruker en navigasjons-
app mens jeg kjører...

3

...og navigasjonsappen
viser data om posisjons-
historikken min.

4

Jeg kjøper
dagligvarer på nett...

4

...og mitt valg av
produkter lar appen vite at
jeg liker å dra på piknik.

5

Jeg bruker en smartklokke...

5

...og klokken registrerer pulsen min.

6

Jeg bruker en app for å lytte til musikk...

6

...og jeg opprettet en spilleliste med mine favorittsanger.

Jeg deler bilder fra gåturen min på profilen min på sosiale medier...

...og sosiale medier viser meg annonser for tursko.

Jeg logger inn på min Instagramkonto...

... og serveren bruker profil_id-en min for å holde meg innlogget.

9

Jeg bruker en app med ansiktsfilter...

9

...og appen samler inn posisjonsdataene mine uten å vise dem til meg.

10

Jeg brukte en nettside for å søke etter ny jobb...

10

...og jeg registrerte en profil og la til mine personlige opplysninger.
